

**Microplane**  
THE ORIGINAL®

# NEW Ginger Tool

Microplane® simplifies the task of prepping ginger, a fundamental ingredient that adds depth and flavor to many dishes – particularly Asian-style, and vegetable-centric cuisines – with the launch of the **3-in-1 Ginger Tool** that is designed to peel, grate and slice ginger. Crafted using original Microplane stainless steel etched blades, the seriously sharp and efficient **3-in-1 Ginger Tool** is the only gadget needed when cooking or baking with ginger. The rasp-like tool features a peeler on the side to quickly remove the peel of knobby, fresh ginger root. A wide panel incorporating Microplane's top-selling Fine blade, makes fast work of grating ginger, and a razor-sharp, angled blade towards the bottom of the tool thinly slices ginger with ease and precision.
